

1. Introduction/Purpose of Survey

Shenandoah University and member school divisions - Frederick, Clarke, Winchester, Rappahannock, and Warren - received a grant to help us continue the Clinical Faculty Training. This grant covered the complete costs for about 50 teachers to receive this training; your mentor, lead mentor, coach, or cooperating teacher has gone through this training.

The Steering Committee developed the survey which we would like you to complete; your assistance in completing this survey is greatly appreciated.

Please note that NO personally identifiable information will be made available to anyone; the overall results will be shared with the partner schools as well as the SDOE.
